

## **Cape Road Dental Practice Safety and Precautions for COVID-19**

We have taken the difficult decision to close the practice due to government guidelines. The health and safety of our patients and team is paramount and we'll be taking the following steps with immediate effect:

- All appointments will be cancelled for 2 weeks
- A member of our team will contact you to reschedule your appointment if you have one already booked
- We'll post regular updates via social media, our website and directly to patients via-email

If any patients have any concerns or feel they are in need of emergency dental care please contact us via email [reception@capedental.co.uk](mailto:reception@capedental.co.uk) or directly on 07572 105 742

Stay home and Stay Safe

Best wishes from all the team
